“Here’s what others say about Weddings and Special Events held at The Castle. You are welcome to contact those who gave permission for us to list their emails or telephone numbers.

I remember the first time I came to the castle and you both were so nice and generous. I almost thought it was too good to be true, but I can say that I never had a bad experience with anything at the Castle. Even when I came in late, ill, and hungry I found both of you smiling, and offering me food. I just wanted to tell you thank you again for helping me have my fantasy wedding. Love Janna Boss

Your facility, and those working in it, are an amazing group of individuals! Such teamwork is not often seen in today’s world. Everything ran perfectly- no snags- no flaws. A few specifics:

Cyndi- you and Rick went above and beyond to accommodate Danielle, Melissa, their guests, and even me!

Melissa- The food was outstanding to say the least! So flavorful, well presented, and absolutely delicious. I need her to move to Atlanta and move in with Ray and I!

Nigel- Such a great DJ! A very accommodating young man, with a smile on his face, and in his heart.

Your Servers- Couldn’t have been more pleasant and professional.

This has been the most positive experience I have had at a wedding or Bar/Bat Mitzvah in 20 years. Thank-you from the bottom of my heart! You are an amazing team!

"Thank you so much for putting on the absolutely perfect wedding! I can't tell you how many compliments I received on it, and how much fun I have reliving it through the pictures.

Everything I saw from the Castle leading up to the event made me trust you all had this down to a science so I felt totally comfortable not worrying about any details, but wow, you still managed to exceed my expectations!

The set up of the event was flawless. All the tables looked lovely- I adored all the chair ties, and the centerpieces with the ivy were the ideal blend of simple and sophisticated. The ceremony site looked incredible- you were so sweet to mow the lawn that day!

The food was scrumptious! You and your team are a terrific group of people and I really appreciate all you did to make sure we had a special day. Malisa Anderson and Eric Strait, Married April 2009

Testimonials

"Dear Cyndi, I wanted to thank you for the exceptional job you did for our daughters wedding two weeks ago. It was so nice to just enjoy the day without having to worry about anything. You took care of all the details just as you said. Your help in planning made the journey stress free. Your ideas and suggestions were most helpful.

Everyone we have heard from said what a beautiful place the Castle is and how friendly all the staff was. It really was more beautiful than I imagined.

I too found your staff to be most helpful. And your children are delightful. Spencer did a fine job as bar tender. And thank you for saving Kyle by lending me your scissors! Thanks to your upstairs accommodations I was able to "fix" his do-it-his self haircut. Speaking of the upstairs accommodations for the wedding party, that extra service just made the pre-wedding time so relaxing and stress free. You thought of everything!

We will continue to highly recommend your facility and especially your services. Thank you again"

It filled me with joy to see Jed enjoy himself so much. The day was even more wonderful because the stress was alleviated thanks to you. Thank you, thank you, thank you for making such a special time all the more wonderful."
